

April 6, 2021

Our annual Future Cubs kindergarten and preschool enrollment events will look a bit different this year due to continued safety precautions throughout our schools.

Kindergarten enrollment is NOW OPEN for any student who is or will be five years old on or before August 1, 2021.

Preschool enrollment reservations are now being accepted at all elementary school locations. *\*\*Enrollment will open at a later date.*

## **FUTURE CUBS**

Please review this [elementary school district map](#) to determine your HOME SCHOOL location based on your permanent address. Should you wish to request a transfer to another school located outside of your home district, you will need to complete the [Student Transfer Form](#). This form must be completed and returned to the Administration Office located at 2421 Wilson Avenue. Transfers are determined by availability of classroom space by grade level, are considered on a first come, first serve basis and are not guaranteed. Priority will be given to families who already have a student at a school's location.

Steps to enroll your **kindergarten student** for the 2021-2022 school year:

1. Determine your home school location.
2. Visit the school's Main Office location during the school day to pick up a paper packet. If you would like to download the packet, you can [visit the link here](#) to print.
3. Return the completed packet to the Clerk at your home school in order to secure your spot.
4. Watch for information from school on a summer Open House!

Steps to reserve your **preschool spot** for the 2021-2022 school year:

1. Call your home school Main Office and provide the necessary information to be placed on the reservation list.
2. Once the State has released the necessary information, we will communicate with you to schedule an individual appointment at your school to complete the enrollment process.
3. Watch for information from your school on a summer Open House!

You will need the following information in order to enroll in either preschool or kindergarten:

- A copy of your child's birth certificate
- A copy of your child's immunization record. This must be signed by a physician, there will be no exceptions made.

Each school will plan a special Open House later in the summer for the incoming preschool and kindergarten students and their families to have an opportunity to tour their building, meet their teachers, and ask any questions they may have about starting school!

It is a great time to be a Future Cub - we look forward to meeting you!
