CALL TO ORDER

PLEDGE OF ALLEGIANCE

STUDENT RECOGNITION

FLOYD CENTRAL SECTIONAL SWIM COACH OF THE YEAR

Athletic Director Joe Bronkella addressed the Board and audience stating the following regarding Varsity Swim Coach Ashley Schutte:

**Coming together is a beginning....
Keeping together is progress....
Working together towards a common goal..... is SUCCESS!!!**

Coming together is a beginning.....Ten years ago, Ashley Schutte took a courageous leap of faith when her son Carter Schutte showed interest in swimming. She volunteered to be the Board President of the H2O swim club. A struggling club with only 16 members at the time, she began her quest to build a thriving program. Soon after she got her feet wet (no pun intended), Jack Kelsey, Justin Banks and Liam Roney all became members of this growing club.... ages 7 and 8 at the time.

Keeping together is progress.....With the help of many parents volunteering their time, Ashley was able to grow the club from 16 athletes to today's number of approximately 125....ages from 5 to 18.

Ashley saw the value of a strong feeder program and imagined the potential if she could keep it all together. She took on her next role jumping in feet first as the Junior High Swim coach. She applied standard work and believed in the process..."do the work and you will succeed." Over the past 7 years the Jr. High swim team performed close to perfection...experiencing only one loss. Just a year into Ashley's coaching career at the Jr. High, she took the final leap advancing her coaching career and became the head Swimming Coach for the Cubs.

Working together towards a common goal.....is SUCCESS!!!

Ashley believed in the feeder program and the importance of a consistent program and culture throughout. Her leadership at the High School level created hope for what “could be” in the very near future. The young men we are honoring tonight have worked together for years towards the common goal of success. They believed in their coach, in themselves and in each other. Ashley and the team’s accomplishments speak for themselves....

Ashley would tell you she has coached many amazing kids in the past seven years...but this group is special. This group has worked together, in and out of the pool to drive their success.

2019-20 Team Success:

- 18 athletes
- regular season meet record of 16 and 1
- 1st – December Small Team Invitational
- 1st – January Invitational
- 3rd in the HHC as a team
- 11 HHC podium finishes (top 8)
- 2 HHC Honorable Mention All-Conference Swimmers
- 2nd in Sectionals as a team
- 17 Sectional podium finishes (top 8)
- 3 school records

2020-21 Team Success:

- 11 athletes
- regular season meet record of 13 and 4
- 1st – December Small Team Invitational
- 1st – January Invitational
- 4th in the HHC as a team
- 15 HHC podium finishes (top 8)
- 12 HHC Honorable Mention All-Conference Swimmers
- 3rd in Sectionals as a team (finishing only 3 points from 2nd)
- 17 Sectional podium finishes (top 8)
- 4 Sectional Champions (1 relay and 3 individual)
- 8 school records
- 4 members of the boy’s team competing at the State Championship meet for the first time since 1986
- **Ashley Schutte “2021 Sectional Coach of the Year”**

In addition to the success in the pool, Ashley believes in hard work in the classroom and in the community. Boys and Girls team combined, this year the team had 13 HHC Academic All-Conference Athletes...with an average GPA for this group of 3.99. The boys and girls combined team members (21 athletes), over team average GPA is 3.76.

In addition to classroom work, Ashley encourages the kids to pursue community hours. Ten community hours is one of the requirements of acquiring a varsity letter. This year the team completed 437.5 hours, averaging 20.8 hours per athlete.

Success breeds success, whether in the classroom, the pool or the community. We are very fortunate to have a coach who makes the success of the athletes in and out of the classroom her number one priority.

The Board recognized Varsity Swim Coach Ashley Schutte for her accomplishments:

Floyd Central Swim Sectional Coach of the Year
Ashley Schutte

MCHS STATE SWIM TEAM MEMBERS

Coach Schutte gave an overview of this past swim season: “Good evening President Yancey, Dr. Studebaker, and board members...thank you for inviting us this evening.

I would like to invite forward our Sectional Champion and State Qualifying Medley Relay Team.

These four young men represent the Madison swim program this evening as the first State Qualifiers since 1986. Swimming works a bit differently than other sports when it comes to state qualifying. A swimmer must have two personal best, back-to-back performances culminating in a Sectional Championship in their event in order to move forward. There is no second chance through a Regional portal - it is straight to state. Once the champions have been placed, there are a few remaining positions where a swimmer may advance with the next highest state qualifying time but it is very competitive and hard to do.

We knew we had something special this year...these young men are part of a very strong team which compiled a season record of 8 - 4 overall in our last year as part of the very competitive HHC.

They played a large part in the 4th place HHC conference meet finish where we amassed 12 HHC Honorable Mentions.

Their team placed 3rd in the Sectional meet where they achieved:

- 19 Personal Best Times
- 4 school records
- Top 8 placement in every event
- 4 Sectional Champions and the first State Qualifiers since 1986

This is our Sectional Champion and State Qualifying Medley Relay Team of Carter Schutte (backstroke), Justin Banks (breaststroke), Liam Roney (butterfly) & Jack Kelsey (freestyle).

They finished 30th overall in the state with a time of 1:41.14, a time just short of their season best and new school record time of 1:40.09.

Individually:

Justin Banks is the Sectional Champion and State Qualifier in both the 200 IM and 100 Breaststroke events. Justin finished 26th overall in the state in the 200 IM with a time of 2:00.27 and 27th overall in the 100 Breast with a time of 1:00.19. He now holds the school record in the 200 IM at 1:57.17 and the 100 Breast at 58.55 - both previously set in 1986 by Tom Solomon.

Carter Schutte is the Sectional Champion and State Qualifier in the 100 Backstroke and tied for 28th overall in the state with a time of 55.13, which is a personal best time and new school record which was previously set by Ben Canida in 1997.

Liam just missed a guaranteed state berth in the 200 Free with a photo-finish, 2nd place sectional finish with a time of 1:46.72 - a personal best and new school record in the event.

These results are not accidental. These young men have been swimming together since they were all very young, around 7-8 years old. It is the culmination of years of hard work and a desire to be the best they can be. We have been very focused and intentional with the philosophy and alignment of our feeder system, H2O Swim Club, which you so graciously allow to flourish through use of our incredible facility. I would like to thank the club coaches (John Schutte, Melanie Banks, and Ben Canida) and the H2O board (Melanie Banks, Jamie Kelsey, Melissa Wynn

and Bobbi Klein) for their commitment to excellence and development. It is through their tireless efforts that we are in the position we are today with our junior high and high school programs and the growing success we see.

I would like to also thank our Athletics Department. Joe and Patric have been very supportive of all of our programs, have been outstanding mentors to us as coaches and to our kids, and helped us to be innovative in how we approached our season to make sure we could include everyone virtually.

Also, thank you to our Strength and Conditioning Coach Jay Roney...your ability to motivate our kids, willingness to understand that different programs have different needs, your flexibility to switch workouts around meet days, and making in-season and off-season workouts available year-round has made a huge difference for our team.

The leadership of these young men, their commitment to team, and incredible work ethic have our program poised to make a stronger, deeper run at both a Sectional title and many, many more state qualifiers next year and the years following. We have very high expectations and are excited to get back to work in May!

Thank you for the opportunity to recognize their efforts here this evening.

BACKSACK DONOR RECOGNITION

Dr. Stuebaker introduced. Mrs. Connie Huntington, Backsack Coordinator. He said in September the Backsack Program needed an infusion of money in order to meet the new demand placed on the program. Dr. Stuebaker said during the previous year, the program provided a bag of food for needy students every Friday of the school year. He said that supply of food was enough to give a student food for the weekend. Dr. Stuebaker said the program only provided assistance at the Junior High last year. He said this year, due to other program cutbacks, our local Backsack program had to take on all buildings except EOM Jr-Sr High School and Madison Consolidated High School.

Mrs. Huntington thanked all those who give of their time to assist with the program. Mrs. Huntington thanked the Board, teachers and staff for assisting as well. Mrs. Huntington thanked Dr. Stuebaker for caring having and compassion to help our students.

Mrs. Huntington said in the future she hopes one of the students being helped now will remember and pay it forward.

The Board recognized the following for their contributions to the Backsack Program:

- Schutte Family
- Stuebaker Family
- Veregy (Johnson-Melloh)
- Terry's Heating & Cooling
- Community Foundation
- Duke Energy
- Nomi Design
- Teton
- Madison Presbyterian Church
- House of Hope
- The United Way Relief Fund
- Hanover Presbyterian Church
- Resurrection Lutheran Church
- Morgan Foods
- Kroger
