Madison, IN: Madison Consolidated Schools donates a van to local Habitat for Humanity.

On March 30, members of the Board of Trustees and administrative team from Madison Consolidated Schools delivered a van to Habitat for Humanity. “We recently purchased two new vans as part of our transportation fleet rotation and felt the value of a reliable vehicle would benefit someone in our community more than it would our district as a traditional trade-in”, stated Mike Frazier, Director of Operations. “We are happy we were able to donate the vehicle to Habitat for Humanity of Jefferson County as they do so much for the families of our community.”
