

# THE MCS PRESS

In an effort to better understand current family digital environments, student needs, and prepare for future eLearning days we recently asked parents for feedback on their experience during the district-wide inclement weather eLearning day held on February 16th.

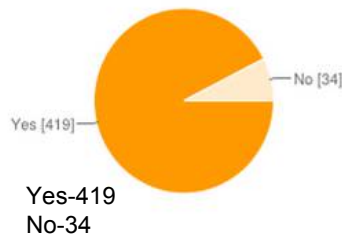

We received 453 responses to the survey, which was distributed via parent email and our MCS\_Indiana Facebook page. The survey was available between Friday, February 20th and Monday, February 23rd.

What school does your child attend?

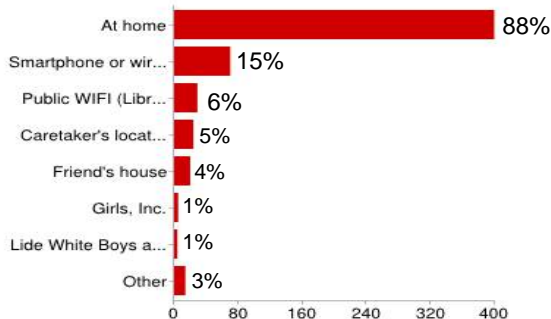

Elementary parent response - 233 students  
 MJHS parent response - 137 students  
 MCHS parent response - 190 students

Does your student have internet access at home?

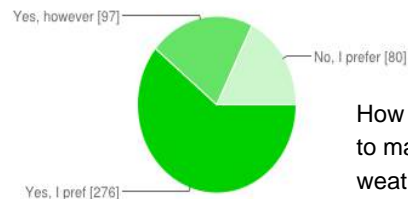

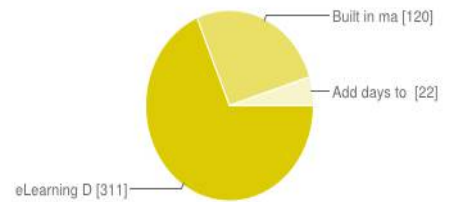

Student access to internet:

Internet access at home - 399 students  
 Smartphone or Wireless hot spot - 70 students  
 Public WIFI - 29 students  
 Caretaker's location - 24 students  
 Friend's house - 20 students  
 Girl's, Inc. - 5 students  
 Lide White Boys & Girls Club - 4 students  
 Other - 14 student

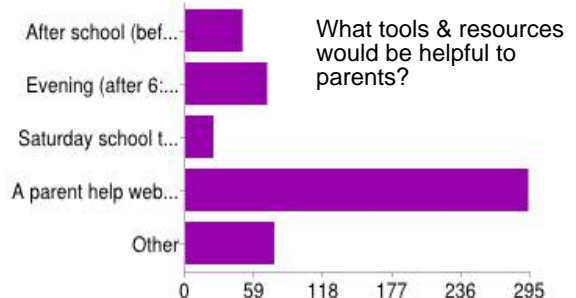

Preference on make up days:

eLearning - 69%  
 built-in - 26%.  
 add days - 5%

How would you prefer to make up inclement weather days?

Use eLearning days as needed - 61%  
 Use eLearning days, only 2 consecutively - 21%  
 Add days to calendar - 18%

What tools & resources would be helpful to parents?

Parent how-to video library - 65%  
 Evening tech training - 15%  
 After school tech training - 11%  
 Other - 17%

**THANK YOU for your feedback!**  
 Be on the lookout for information on upcoming eLearning enhancements!
