**\*\*Please return the form ONLY if you choose to OPT OUT.** Please continue to read for more information.

Throughout each school year, students from Madison Consolidated Schools may have an opportunity to be highlighted in various marketing or public relations related materials or projects to promote activities and achievements within our school district. These may include district-wide, building level, or classroom level promotion or recognition.

As an example, students may be photographed, interviewed, or video recorded during classroom instruction, while attending school assemblies, or participating during extracurricular activities. Students may be featured in materials to increase public awareness of our schools through newspapers, radio, website, DVD's, displays, brochures, or other media outlets.

*As a parent or guardian of a Madison Consolidated Schools student, I hereby consent to the use of student work, photographs, video, or audio recordings taken during the course of the school year for promotional and/or educational purposes (including district printed publications, presentations, websites, and social media feeds). I do this with full knowledge and consent, waive all claims to compensation for use or damages, and relieve MCS, its Board of Trustees, employees, and other representatives from any liabilities, known or unknown, arising from use of these materials.*

There is **no need to return this form if you give permission and consent** for your student to participate in the media use of student photographs/videos/audio/work.
