

PTO Meeting September 19, 2023

Principal's Report:

- Future Bear Bash nights – would like to have students take shifts and help wait/clean tables. Would like the community to see the students in a good way.
- Planning to have a Halloween dance. Further details will become available once the date/time is finalized.
- Will be implementing a school wide student advisory group. This group will start revising current plans/procedures, so students have a voice in their school. They will also work on the PBIS program and have more events like the soccer event last week.

Treasurer's Report: \$5,400.22

President's Report:

- Fundraisers
 - The spirit wear store went well. We had 111 items purchased, receiving \$333. They do have a delay in making the items, but we will be notified once they are done.
 - Popcorn plus other goodies is off to a great start. As the sponsor, we can see the progress as items are purchased. So far \$1,202 of items have been purchased.
 - To help boost sales and help the 8th graders for their DC trip, we will give half of the 8th graders proceeds to them.
 - Burger Bash nights – now Bear Bash nights to pull in school spirit. We discussed reaching out to a few more local restaurants such as Tapatios, The Reds and our hilltop Dairy Queen.
- Maker's Night – October 19th from 5-7pm
 - Choir, band, and theater performances will take place.
 - Maybe some science displays.
 - Silent auction in the fall to help bring in more money for a larger spring event.
 - Food truck vendors will be Troublemakers, Sonny's Concessions, Kona Ice and DonutNV.
 - The PTO will do a hot chocolate and apple cider bar in the cafeteria. We will create a sign-up sheet to ask for donations of items. Plan to charge \$2 and Holly will make a sign for us.
 - Parents will reach out to a few other food vendors to attempt to have another supper kind of truck on site.
