- Employee of the Month – planning to have all students vote for teachers/admin/staff once a month during lunch. They will have a short form to fill out and they will be tallied. The winner will receive a gift basket. All will receive their forms.
- Triple A program – takes place every 4 weeks. It is a fun celebration with an activity and a treat. About 70% of students get to participate.
- 8th Grade Night – moving it back to an evening event. May 15th at 5:30pm with a dance to follow. Then working out details to have their 8th grade Kings Island trip that Thursday or Friday.
